40 Days of Dating
Photo Assistant

2015

Worked with designer E Roon Kang.
Development of design concepts,
mood boards and production
materials. Assisted with design
explorations for print and web
projects. Projects include
"2015 Typojanchi" website,
assisting with front / back end
development and designing
editorial works for MIT Press.

Worked on concept development and
design materials for packaging, digital
and identity projects. Assisted with
creating logos, packaging and
prototyping UX, UI for websites.
Projects include "The 74" identity
system, collateral designs and
website.

Contributed as an assistant for
Jessica Walsh and Timothy Goodman's
project. Assisted photoshoot and film
process for the project.
